# POUPART<sup>EST</sup> 1895 IMPORTS NOTICE BOARD

## ◆ **Peruvian Asparagus**

We are pleased to announce the introduction of a new shipper for Asparagus the brands will be CASTELLANA. This grower boasts the larger production area of excellent quality Asparagus in Peru, so no issues with continuity. Not only will we be able to supply our traditional 11x454g bundle but now have 20x250g as an alternative. We can deliver anywhere from as little as 10 boxes.

## ◆ **Tomatoes**

We have started with early season Tomatoes from Almeria in September using the Ciri brand, but will have volume from mid October in Round and Vine Tomato brands DD and Vega Canada. Varieties we are using are these : Pitenza, Atletico, Daniele and Ikram. In addition to these we will be using Plum and Beef Tomatoes. Judging by the high quality seen last year we will have strong demand.

## ◆ **Cherry Tomatoes**

Spanish Cherry Tomatoes to start with continuity in October. We will be working with Agrocastell and Kopalmeria out of Spain. In addition to this we shall be working with Moroccan Cherry Tomatoes from the beginning of November in the Alia brand.

## ◆ **Cucumbers**

We have just started loading early season Cucumbers from Almeria and will have good variety of brands and volume by the middle of October. The brands we are offering are the following : Easy Choice, Just Perfect, Kopalmeria, Rosara, Agrocastell, Iris Gold.

## ◆ **Peppers**

Good availability of all colours in Peppers including tri colours starting in the last week of September. Again volumes increasing through the month of October. Brands offering are the following : DD, Easy Choice, Just Perfect, Chata, Kopalmeria, Iris Gold, Rosara.

## ◆ **Courgettes**

Last season we introduced the brands El Pincho and also DD, quality was excellent. We have started with El Pincho in September and DD will start in October with good volumes. To add to this we also work Courgettes with Iris Gold and Moroccan Courgettes.

## ◆ **Broccoli/Iceberg/Celery**

To start with Iceberg and Celery in volume from the Lorca area at the end of October with continuity. Broccoli we start at the beginning of December 5kilo ice pack using the brand Centramirs.
